

Michigan Sportsmen Against Hunger Food Drive - 2025

ShowSpan and the Outdoorama

partnered with Michigan Sportsmen Against Hunger once again in 2025 for a huge opening night food drive at each of their events list below.

The objective was to bring a sack of non-perishable food items (minimum of 4 pounds or 6 cans or boxes) Opening Day ONLY and get in for FREE!

The food was collected by volunteers from Safari Club International S.E. Michigan Bowhunters Chapter, Rockford Sportsmen's Club, Michigan Bow Hunters Association, West Michigan Steelheaders and the Michigan Chapter of National Deer Association, then donated to a Food bank, Pantry or Shelter to help those in dire need.

Thanks to our SUPPORTERS for stepping up at these events with their non-perishable donations! See you again in 2026!
