The Michigan Sportsmen Against Hunger program is a 501c3 organization, ALL fund donations are tax deductible.

A brief history of MSAH

Since 1990, the Michigan Sportsmen Against Hunger (MSAH) has been working to facilitate the linkage between donors, wild game processors, and the charities that feed hungry individuals. MSAH is an organization dedicated to developing the resources and infrastructure necessary to channel nutritious high protein wild game meat donations to Food Banks, soup kitchens, and homeless shelters that feed the hungry in the local communities of Michigan.

The MSAH started contracting under the State of Michigan and its newly created Sportsmen Against Hunger Program in 2005.

MSAH was founded by: Safari Club International, Michigan United Conservation Clubs, Ted Nugent United Sportsmen of America, the United Methodist Men’s Club, Michigan Bow Hunters Association, Food Bank Council of Michigan, and the Michigan Department of Natural Resources. Other participating organizations are: National Deer Association. Many other sporting organizations and individuals share in the concern for feeding the hungry of Michigan through their support of our mission.

Hunger in Michigan

This is why MSAH and your community need you! Processors like you throughout the state are coming to the aid of those who are hungry every day. The success of the MSAH processing program relies upon processors to join the fight against hunger and assist us in processing donated venison. The food banking network in Michigan has over 2500 agencies such as church pantries, soup kitchens and shelters in every county.

Highlights of the Michigan Hunger 2014 Study: 1,792,200 different people annually seek food assistance, of these people:

- **59%** are White, **25%** are Black / African American, **6%** are Hispanic / Latino and **10%** are of some other race
- **17%** of households are Grandparents who have Grandchildren living with them.
- **18%** are 60 years of age and older
- **25%** most common age of 30-39
- **37%** of households contain a child under the age of 18
- **37%** of households contain a senior aged 60 or older
- **63%** have to choose between food and medicine
- **69%** have to choose between food and utilities

Processor Reimbursements and Requirements

These guidelines were written and adapted in accordance with the America's Second Harvest Comprehensive Food Bank and Agency Guidelines for Wild Game Donation Programs. Any ambiguity in our guidelines the America's Second Harvest guidelines will stand as written.

Processor Reimbursement: For 2023 starting 7/21/2023 MSAH will be reimbursing our wild game processors at \$2.05 per processed pound of venison For 2024 starting 5/1/2024 and ending 9/13/2024, MSAH will be reimbursing our wild game processors \$3.00 per processed pound of venison

A. Facility Requirements

- a.) Licensed by the State of Michigan as a meat processing facility / Wild game processors who have questions related to being licensed or food safety requirements can visit **www.michigan.gov/meatprocessing** or call at 800-292-3939.
- b.) You must be insured.
- c.) You must be inspected by either the Michigan Department of Agriculture and Rural Development (MDARD) or the United States Dept of Agriculture (USDA).
- d.) You must carry liability insurance

B. Food Safety & Processing

- a.) Processors will follow all state and federal guidelines that have been established for processing donated venison
- b.) Included in this packet is the Processing Guide & Sanitation Requirements for Retail Food Establishments from the Michigan Department of Agriculture, Food & Dairy Division.
- c.) All processed venison will have some identification that it is venison, not for resale, the date processed, and a coded number provided to each MSAH processor from the MDNR.
- d.) All donated venison is to be ground and packaged into 1 lb. or 2 lb. packages.
- e.) Processing costs will be reimbursed through MSAH. The weight that will be reimbursed is the actual final weight that was processed, not the hanging weight of the deer. This is the weight that will be confirmed by the MDNR staff or MDNR selected representative.
(See voucher/processing reimbursement section page 3)
- f.) Processors are not encouraged nor should they accept donations of game meat that was not processed at their facility or has been pre-processed by hunter or others. Due to food safety guidelines and inspections at the food banks, meat that has not been professionally processed at a licensed facility cannot be accepted by a food bank or distributed to anyone.

Lead in Venison and processing of Carcasses :

You can take steps to keep lead contamination in venison to a minimum by following a few guidelines:

1. Use care when selecting meat for grinding.
2. Do not use deer with excessive shot damage.
3. Trim a generous distance away from the bullet wound channel and discard any meat that is bruised, discolored, or contains hair, dirt, bone fragments or debris.

A Michigan Department of Agriculture and Rural Development informational brochure is included in this packet for information.

State of Michigan Directives

Accepting Donated Deer from CWD & bTB Counties:

As a new requirement this year, MSAH-participating processors must not process deer harvested in the counties listed below that are areas of known Chronic Wasting Disease (CWD) or Bovine Tuberculosis (bTB) occurrence, **unless** the deer from those counties are tested and no detectable levels of these diseases are found. Hunters wishing to donate deer from these counties must have their deer tested.

Known CWD Counties: • Dickinson, Clinton, Eaton, Gratiot, Hillsdale, Ingham, Ionia, Isabella, Jackson, Kent, Montcalm, Midland

Known bTB Counties: • Alcona, Alpena, Antrim, Cheboygan, Crawford, Emmet, Iosco, Mecosta, Montmorency, Ogemaw, Osceola, Oscoda, Otsego, Presque Isle, Roscommon, Shiawassee

For more information on how to have a deer tested and wildlife diseases in general, please go to Michigan.gov/dnr/managing-resources/wildlife/wildlife-disease.

Testing of Metal Fragments in Venison and Processing of the Carcass :

ALL processed venison from MSAH Processors is to be scanned for any possible metal fragments. The MDNR has contracted the services of Michigan company, Food X Inspections of Holland, Michigan in performing the scanning, Food X Inspections has offered to provide assistance in transportation services and the MDNR has accepted. So, Food X Inspections will be making pickups of venison ready for scanning from various processors and holding it in their vast cold storage facility until scanned. Cleared venison, will be distributed from that point.

Contact for scanning at MDNR is 517-284-6057.

Contact at Food X Inspections for scanning is Lisa Gonzales at 616-485-9597

C. Venison Donations

Please remember the State of Michigan Directives when accepting deer donations to the MSAH at your facility.

When donating whole deer, the Sportsman or woman do not have to pay for the processing of the donated deer to MSAH. The sportsmen or sportswomen can keep the antlers, cape, or entire hide for mounting from the deer they donate. Make sure to ask the donor

before processing what they want or need for mounting. There are two ways in which someone can help MSAH:

1. **Donating the entire deer** to the program. There are no charges to the sportsmen or sportswomen.
2. If they do not want to donate their entire deer, ask if they would be willing to **donate a pound or two of burger for the program ~ Give a Pound**. The way this program works is that someone can donate 1 or 2 pounds of their already processed venison to the MSAH program. It is preferred if they donate ground venison to the MSAH program please set a collection container aside for such donations. The Give a Pound program is not part of the reimbursement program seeing how sportsmen or sportswomen have already paid for the processing of the venison.

If someone wants to make a cash donation to MSAH, refer them to our website at www.sportsmenagainsthunger.org Please DO NOT accept donations on our behalf.

D. Voucher/Processing Reimbursement:

No cost of processing a donated deer will be passed on to the sportsmen or sportswomen who donate a deer. In 2005, the Michigan Legislature passed a bill that allows the Department of Natural Resources to collect donations at retailers that sell hunting and fishing licenses. Those fund donations collected at these retailers are then directed to the Sportsmen Against Hunger Fund by the MDNR and utilized ONLY to pay for the processing of donated deer and a small amount for program administration.

MSAH currently pays \$2.05 per processed pound of venison from September 14th to April 30th. A Summer payment schedule from May 1 to September 13, MSAH pays \$3.00 per processed pound for the inconvenience of our processors for processing Deer Management Harvests during regular scheduling of other butchering.

For you to be reimbursed for processing you will need to fill out a voucher that has been provided to you. Here are the steps to filling out the voucher:

- a.) **First page**, white/**Donor Copy** – Donor and Processor to fill out and a copy given to the donor
- b.) **Second page**, yellow/**Processor Copy** – the MDNR personnel OR Food X staff collecting the processed venison for scanning is to fill out bottom portion fully and must **sign** when they are receiving the processed venison. Also, the pounds that are reimbursable are the

final processed weight. That amount should be recorded on the line “number of pounds donated”.

c.) **Third page**, pink – **MSAH Copy** to be sent in for reimbursement. The sooner you send in the voucher the sooner you will be reimbursed. There must be a signature. Without proper documentation or if forms are not completely filled out, it will delay your reimbursement. You can send copies of these forms electronically via email by scan or image OR send them USPS.

- If sending vouchers via email, please send the image taken or a scan to msahtreasurer@gmail.com with the subject line reading MSAH Processor Payment.
- If sending via USPS, please make sure you send to this address:
MSAH, 2101 Wood Street, Lansing, MI. 48912

ANNUAL PROCESSOR INFORMATION FORM SUBMISSION

Please fill out the “Processor Information/Contact Sheet” (page 6) and mail via USPS or Email to the MSAH Processor Coordinator listed at the bottom of that sheet scan, take a photo with your cell phone. A representative from Michigan Sportsmen Against Hunger will contact you to confirm your information and to answer any of your questions.

Thank You

Without YOUR support and generosity families throughout Michigan would not be able to put a meal on their table. It has even been estimated that people are missing as many as 7 meals a week in your community and our state as a total. Everyone in Michigan should have access to good, healthy food every day. If you have any questions or concerns, please contact MSAH, a contact sheet has been provided for you in this packet.

Again, Thank You for your support of our program and for helping those who are hungry in your community and our state.

Michigan Sportsmen Against Hunger 2024 Board Members Representing

Safari Club Flint Chapter, S.E. Michigan Bowhunters Chapter, Michigan United Conservation Clubs, Food Bank Council of Michigan, Ted Nugent United Sportsmen of America, Michigan Bow Hunters Association, National Deer Association, and Private Citizens

Processor Information/Contact Sheet Michigan Sportsmen Against Hunger

Please fill out the information below. This will assist us in keeping our records up to date and the ability to contact you when there any changes to our program. ~Thank you~

MSAH PROCESSOR APPLICATION

Business Name:
Contact Name:
Address:
City, State & Zip:
Phone Number:
Fax Number:
Email:

Please provide us with the following information:

1.) Have you ever collected from MSAH before? Yes or No

If **yes**, beginning what year _____

2.) Your license number/processing number/custom exempt number _____

3.) Are you insured? Yes or No

If **yes** who is your carrier: _____

Is your business inspected? Yes or No

If **yes** by who: _____

If you are already working with a local charity, please let us know their name/address/phone number. If you are not working with someone right now leave this blank

1)
2)
3)
4)

USPS Mail this form to: MSAH Processor Coordinator, MSAH 2101 Wood Street, Lansing, MI. 48912. Email it to: msahunger@gmail.com

Thank you for your time, your efforts and your commitment to help with the fight against hunger in each of our communities.
